CATALOGUE ALPHABETICAL

UK buyers can pay direct via Papal to peter@hotshotsmusic.com, (preferred) or send cheque/ PO to Peter Tappern, (email peter@hotshotsmusic.com for postal address).

Non-UK buyers Paypal only please. My telephone is (+44) 07810-483676.

All arrangements are available individually, shipping free of charge if delivered via email or a one-off cost of £3.00GBP if posted 1st class on CD worldwide. All stock items are normally dispatched within 2 working days of funds clearance. I can also supply arrangements to order from £40.00GBP depending on complexity. These charts are written for 4 horns, (but all playable by 3 and most playable by just 2 horns - trumpet & sax) + standard 4pc rhythm section+ vocal guide where applicable. Each arrangement includes score and all parts including substitutes, i.e. tenor as alto and in some cases, tenor as trom plus a vocal guide sheet as text, all in pdf format. You will require adobe acrobat reader (free download from adobe) to open and print these files. Also included is a midifile to allow basic editing in any score writing or sequencing program – Sibelius, Encore, Finale, Logic, Cubase etc and give an indication of performance. Please note: we do not, under any circumstances, provide notated vocals or melody lines with lyrics. We only supply vocal guides in text format.

Legend:

FMV = Female Vocal, MV = Male Vocal, Inst = Instrumental. Catalogue number without a letter is our normal combo version, C also means combo version, B is a bigband (5444) version and A is little bigband version. SB means the arrangement was written by Shaun Byrne and sold on his behalf.

Horns voicing system

The basic line-up is: Trumpet – Voice 1, Alto Sax – V2, Trombone - V3, Tenor Sax – V4. There is also usually a tenor as alto part (V2) as a substitute to allow for no alto. We can also provide a tenor as trombone part (voice 3) on request at no extra charge to cater for bands that may have a trumpet/alto/tenor horn section. If there is a prominent baritone sax on the original it will be included as any other prominent parts, ie flute (also cued on other sax parts) or percussion.

Rhythm Section

Standard rhythm section is: Keyboards, Bass, Drums, Guitar. Keyboard parts will normally be piano, piano/strings or Fender Rhodes piano/Hammond Organ. If there is a heavy, two handed piano part + strings, strings will be a third stave reduction on the keyboard part so that if a band has the luxury of a second keyboard another part can be printed. This all assume a single keyboardist is able to split their keyboard around middle C. Additional percussion parts will only be added if very prominent.

Vocals

All charts contain a vocal guide in text format as a pdf.

NB: All catalogue numbers with SB following have been arranged by Shaun Byrne.
